Building a Statewide Buy Native—Buy Local Campaign

Please join us for a presentation by Jeff Milchen, Co-Director of the American Independent Business Alliance (AMIBA) of Bozeman, MT. Together we will explore how we can help our communities become more self-sufficient and resilient through fostering a culture that values and supports small business, entrepreneurs and artisans. We will learn what role native businesses, native non-profits, organizations, tribal governments and institutions, can play in the development of "buy local" campaign.

We will learn about what types comprehensive support is available for "Buy Local" campaigns and how to advance pro-local business policies and facilitating collaboration among local entrepreneurs to strengthen local economies and resident businesses.

The Minnesota Indian Business Alliance will share about emerging Buy Native - Buy Local campaigns in rural tribal communities and replication possibilities.

Registration is required. Space is limited to 35 attendees and meal are included.

Please call 218-850-8364 for more information.
